Dear Committee on Excellence in Education,

My Name is Ms.Kerkache, I am a new Arabic and French teacher at Venice High. I am a first-time grant writer. I would like to apply for this year's classroom grant opportunity. Part of the money will be spent on getting online teaching resources from Teachers Pay Teachers. The website includes great resources that help teachers deliver a great distance learning experience to students. The other part of the money will be spent on classroom supplies, in order that when physical classes resumes, my students will find the school equipment they will need.

To conclude, I would like to thank you for the generous support you are providing to Venice High School teachers and students.

Sincerely,

Amira Kerkache
